Lacey Parks, Culture & Recreation Outreach

ENERGIZE LACEY!

In 2021, Lacey Parks, Culture & Recreation engaged the Lacey community in a discussion about how they would like their City to look, feel, and function in the future. Based on the input received, Lacey Parks established a solid framework for future strategic planning.

Now, Lacey Parks needs your help establishing priorities.

The ultimate goal is to build a shared vision for the future of Parks, Culture, and Recreation's assets and opportunities.

In 2022, Lacey Parks will offer a variety of opportunities for you to provide additional input that will help shape future offerings.

To find out more about the project and how you can participate, [visit our page](#). We look forward to connecting with you to learn why you personally believe Parks, Culture, and Recreation are important to our community!

Lacey Museum's New Exhibit!

JUNE 1, 2022 – NOVEMBER 1, 2022

Change was in the air. Everywhere. From Saigon to Seattle, Paris to Pasco. On college campuses, the campaign trail and evergreen peaks, Washingtonians were spurred to action. It was the year when Vietnam, civil rights, women's liberation, and conservation coalesced—the year when tragedy led the 6 o'clock news with numbing regularity. Nearly 50 million Baby Boomers were coming of age. The draft call for 1968 was 302,000, up 72,000 from the prior year. 1968 changed us in ways still rippling through our society a half-century later. This exhibit at the Lacey Museum is brought to you by Legacy Washington
